

Lapka Family Update

God is Faithful - July 2016

Let's not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don't give up.
Galatians 6:9

Sherry, Ron, Kaelyn (l) and Charis (r) Lapka

Hi from our family to you and yours once again! We have had a very busy few months and for that we are thankful. Thank-you again for your love and support; we need your prayers and support as much, if not more than ever. Over these past several months we continue to minister as a family in various areas. The girls are active in worship and teaching/assisting in Wednesday night bible study and Ron and I continue to speak, teach and preach in support of the ACOF work here in El Salvador. Ron meets regularly with a pastors ministerial that has connections to Canada and also with the leadership groups of two of the ACOF churches. We are continually assisting and ministering in the areas offered to us. Ron also travels to visit/minister in Guatemala, Nicaragua and Honduras.
