## Bridges For Children

Your Family Is Important!

THE MOST IMPORTANT BUILDING  
BLOCK OF OUR COMMUNITY IS  
FAMILY. YOUR FAMILY IS IMPORTANT  
AND UNIQUE; WITH MANY  
STRENGTHS AND DIVERSE  
CHALLENGES.

BRIDGES FOR CHILDREN USES A  
FAMILY CENTERED, TEAM BASED,  
AND STRENGTH FOCUSED PROCESS  
CALLED "WRAPAROUND" TO HELP  
FAMILIES STRATEGICALLY AND  
EFFECTIELY ADDRESS THEIR NEEDS  
AND CHALLENGES.

## RESPECT

Valuing the abilities, qualities, and achievements of someone or something.

*Why?*

See us, not our problems; build on our strengths

Never about us without us.

See that we are unique and our plans made must be too.

Our community cares about us.

## VOICE & CHOICE

The privilege and power of creating processes and pathways together.

*Why?*

Faith, family, and friends are very important.

It is not about trying harder, but trying different.

All aspects of life will be our focus.

Safety will always be most important.

Seeing the value in one another is key.

Let's work together.

Creatively we will find ways to meet our needs.

Celebrate the journey and our successes along the way!

## INTEGRATION

Joint action, embracing the wonder of "us"
